

## THE SMALL STEPS OUTREACH SERVICE

Did you know...?

Small Steps provides an OUTREACH SERVICE for children attending Small Steps.

We can also provide this service for any children who have physical disabilities and are attending mainstream Early Years Settings or Primary Schools.

## WHAT IS OUTREACH?

The aim of the service is to provide support to colleagues working with children aged 1 to 5 years and over, who have physical disabilities in mainstream, nursery and school settings.

We aim to enable nursery workers, childminders, Learning support Assistants, SENCO's, Teachers, and whole school/nursery settings to feel supported.

We can provide training and support around the area of physical disability e.g. 'What is Cerebral Palsy?'

We can provide disability awareness workshops, both for staff and class/whole school /nursery pupil groupings.

We can suggest practical advice, strategies and techniques for working with and meeting the needs of the child.

We can provide telephone support and advice.

We can visit, make observations and provide feedback.

We can assist in supporting children with physical disabilities transferring between provisions.

We welcome interested parties to visit 'Small Steps' and see our practice in action.

## WHAT DOES IT COST?

Small Steps is a registered charity and as such it is preferred not to charge for this service. Donations are however welcomed in order to cover our costs. Suggested donations include:

For a one off visit (including written report and recommendations) = £90  
1 hour 'Staff Meeting' = £90  
For half a day INSET  
Workshop = £250
